PLEASE COMPLETE ALL QUESTIONS. RESPOND WITH "N/A" AS APPROPRIATE. INCOMPLETE OR INCORRECT ANSWERS, OR MISSING SIGNATURES WILL DELAY PROCESSING. IF SPACE IS INSUFFICIENT, CONTINUE ON AN ATTACHED SHEET(S) AS NECESSARY. ATTACH CBMPP AND OTHER INFORMATION AS NEEDED. PLEASE TYPE OR PRINT LEGIBLY IN INK.

ITEM I

Permittee Name ALABAMA DEPARTMENT OF TRANSPORTATION	Facility/Site Name APDF-1602(551) PS1175
NPDES Permit Number ALR10AC66	Facility Street Address or Location Description SR-959 (BIRMINGHAM NORTHERN BELTLINE) FROM SR-79 TO SR-75. GRADE AND DRAIN
County(s) JEFFERSON	City, State, and Zip Code Pinson, AL 35126

ITEM II

1. Yes No Has all regulated activity authorized by this Permit at this facility been completed? (i.e. construction/industrial effects removed; solid waste/debris properly disposed; all disturbed areas have been fully reclaimed, permanently stabilized, or perennial vegetative cover established; and stormwater discharges do not represent an adverse impact to the water quality.)
2. Yes No Has the Permittee lost operation control of the facility/site?
3. Yes No Has the Permittee lost legal responsibility for the facility/site?

If "Yes" to any or all of questions 2 or 3, in order for this termination request to be granted, the Name, Phone Number and Address of the succeeding responsible permittee/operator(s) must be listed and the succeeding responsible operator must obtain coverage:

"I understand that discharging pollutants in storm water associated with regulated activity to waters of the State that is not authorized by NPDES permit coverage is a violation of State law. I also understand the submittal of this request for termination does not release the operator from liability for any violations of the permit, ADEM Administrative Code Chapter 335-6-6, or other ADEM rules until a complete and correct request for termination of the permit is received by the Department. I understand that the permittee, operator, owner, developer contractors, home builder(s), property owners association, etc. separately or collectively, must retain permit coverage for subdivision developments or other phased developments until all disturbance activity, including individual home construction, is substantially complete. I understand that should an inspection or complaint reveal a significant noncompliance with ADEM rules, an environmental problem related to the discharge of stormwater from the site or that incorrect information has inadvertently been provided, implementation of remedial measures may be required, to include resubmittal of the NOI in order to correct any deficiencies, comply with federal stormwater permitting requirements, and provide for the protection of water quality. "I certify under penalty of law that this form, the CBMPP, and all attachments were prepared under my direction or supervision in accordance with a system designed to assure the qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the qualified credentialed professional (QCP) and other person or persons who manage the system or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, correct, and complete. I am aware that there are significant penalties for submitting false information including the possibility of fine or imprisonment for knowing violations.
